The Angelsong Ministries, Inc. Vision

By Pastor Shala Martin-Smalley, Founder/President of Angelsong Ministries, Inc.

Habakkuk 2:2:
2 And Jehovah answered me, and said, Write the vision, and make it plain upon tablets, that he may run that readeth it.

Thank you so much for allowing us to share the Vision God has given us with you. I am Shala Martin-Smalley. I am a Minister, a Pastor, and a Barrel Racer with a desire to make a difference in the world I live in, the industry I compete in, and the youth that carry our future. There are so many voices in the world today, our desire is to show them that there is "*nothing impossible to them that believe*"!

How we will reach them?

Through outreach. Angelsong is unique to our area. We are focused on barrel racing because that's what we do and what we know. There are more barrel racers in Central Oklahoma condensed than any other state in the nation. A large percentage of those barrel racers are kids, teens, and young adults. A report was released by **USDA** Washington, D.C March 2, 1999 and by the National Agricultural Statistics Service (NASS), Agricultural Statistics Board, U.S. Department of Agriculture that said the State of Oklahoma had over 170,000 head of horses. Equine events are a huge part of the Oklahoma culture. If you have ever seen a young girl and her horse, you know the intense connection and bond that they have. When we can help that young girl reach her goals in her passion - barrel racing - we can change her life. We can give her hope, and an assurance that her dreams are, in fact, attainable.

It is our goal to instill in these children the things that are so often lacking in the kids of today:

Honesty	Integrity	Self Motivation	Self Discipline
Accountability	Self Respect	Community Service	Work Ethics
Stability	Perseverance	Patience	Responsibility
Faith	Trust	Sportsmanship	Team work

We instill Biblical values and standards, and a desire to share the God given talents and abilities with which they have been blessed with those around them. We encourage a deeper relationship with God and a commitment to purity. We do this through various outreach ministries such as these:

Youth Ministry & Mentoring
Beginning Speed Event and Barrel/Pole Clinics
Angelsong Ministries Rodeo Team
Summer Camps
Private Lessons

Outreach Ministries to all ages
Cowboy Church and Praise and Worship Services
Production of Christian Based Barrel Races
Ministry Retreats & Youth Rallies

Our Mission

Our Mission in simple. Our heart's desire is to reach out to this generation of youth and empower them to become *all God created them to be* through mentoring and teaching programs helping them learn more about the sport of Barrel Racing, as well as being a support system to their families and friends by providing them with the help that they need to raise a confident, responsible, accountable, disciplined, productive, and victorious child in today's world of deteriorating values and standards. We intend to change the industry of barrel racing one soul at a time, and provide families races to compete at that reinforce the strong moral values they are working to instill in their children. We are providing Ministry Retreats, Youth Rallies, and Cowboy Church Services for the families that live the Rodeo lifestyle and spend most of their time on the road competing so they can stay strong, stay focused, and stay blessed. Our Mission is to be a ***lifeline***.

Lifeline - 1**:** a line (as a rope) used for saving or preserving life: as a**:** a line along the outer edge of the deck of a boat or ship b**:** a line used to keep contact with a person (as a diver or astronaut) in a dangerous or potentially dangerous situation 2**:** something regarded as indispensable for the maintaining or protection of life
