

Angelsong Ministries Rodeo Team

We congratulate our 2007 Cavalcade Finalists!
Bronc Riding 2nd place Finalist, Jeff McCleary
Sr Men Barrel Racing Finalist, Steve Heath

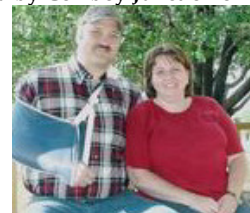

In late July, AMRT returned from our 4th Annual trip to the International Cavalcade Rodeo, the World's Largest Amateur Rodeo, in Pawhuska, OK. Out of 114 Clubs competing and over 1600 contestants, we came home with two more finalists! Jeff McCleary of Meeker earned his 3rd consecutive trip to the finals in Bronc Riding and finished 2nd overall. Newcomer Steve Heath of Choctaw came back to the Sunday finals sitting 7th place. AMRT 2007 consisted of cowboys and cowgirls of several different denominations and beliefs living from Arkansas, Ponca City, Choctaw, Meeker, Shawnee, Prague, Perkins, Agra, and Luther.

President and Pastor Shala Martin-Smalley opened up Cavalcade's Wednesday night performance by singing the National Anthem, followed by the rest of the team in the Grand Entry, as well as opening for Crystal Lyons of Cowboy Stuff Ministries of Mason, Texas by ministering in songs at the Sunday Free breakfast and Church Service hosted by Cowboy Junction of Vinita, Oklahoma.

The whole team and their families assisted Michelle Tarlton and "Added Money", a club based in Tryon, with the annual Kiddo Day on Thursday afternoon. About 30 kiddos enjoyed being led or riding their horses through a series of patterns in the Osage County Fairgrounds Arena safely assisted by over 20 AMRT families and competitors. The kids were awarded certificates, cavalcade flags, and medals for participation. We were so proud of all of our kids!

Bud and Becki Coon

I want to introduce yall to AMRT's Vice President, Becki Coon, and her husband, Bud. You've seen them working at nearly every event we've done in the past years, and they have been faithful to this ministry. Their daughter Audrey is our Intermediate Barrel Racer. Their whole family has caught the vision of Angelsong and have done whatever they could to help me fulfill the call that God has on our Rodeo Team, as well as HPYF and our other outreaches. THANK YOU SO MUCH BUD, BECKI, AUDREY, AND BRANDON AND THEIR EXTENDED FAMILY AS WELL FOR YOUR FAITHFULNESS! GOD WILL NOT FORGET YOUR LABOR OF LOVE. WE LOVE YOU!!!

Sermon on the Mount

Bud Coon gets his t-shirt signed by Dr. Lew Sterrett

August 2nd-4th, 2007 Dr. Lew Sterrett and The Sermon on the Mount were at the Oklahoma City Fairgrounds. It was a great honor and lots of fun for AMRT members that put on the Friday night pre-show to entertain the audience. Three of our barrel racers, a team roper, and two playday competitors held a "mock barrel race" to get the crowd fired up for the evening. Shala then opened the event with the National Anthem on horseback. Miracle Mountain

Angelsong Ministries, Inc.

Ranch and Lew have an awesome ministry. He takes problem or unbroken horses and works them while relating the process to the Word of God. He used our never saddled 2 year old gelding, "Miracle", for the Leadership Conference Thursday, and he was actually on his back riding him before lunch! His Leadership Conference is far from ordinary, I got so much out of it. We'll keep yall posted as to when and where they will be here next year, as you don't want to miss it.

Beginning Speed Events Clinics

**Our 2007 "Most Improved Award" Winners
Becca Foster at Chandler RUC and Georgia
Gravelle at Sporthorse Arena, Stillwater**

Becca and Georgia received these awards for their hard work and extreme improvement at each of these clinics. All the students did an awesome job learning about the basics of speed event competition including safety, care of their horse, and riding skills. We had 4 clinics scheduled in 2007, but due to the amount of rain this spring and summer, we only were able to hold these two. Kay at the Sporthorse Arena in Stillwater, OK was so gracious to allow us to use their facilities on Sunday, June 17th to hold the clinic we had scheduled and rained out twice! The kids had a blast being in that indoor arena, and most of all staying dry! BSEC's are taught by members of the Angelsong Ministries Rodeo Team with the purpose of sowing into these kids the gifts God has given us, that they might see the love He has for them.

Partner Spotlight

Paula Austin (Poliwogs Home Daycare) and her family have spent countless hours baking for pie auctions, bake sales, & fundraisers for Angelsong's events, she comes to our events and works wherever she is needed. The Word says signs and wonders will follow the true believers... well, Paula Austin is one of our **REAL SIGNS AND WONDERS!** We had some hay donated to the ministry back this summer and we had to get it out of the field. We called Paula and her mom Mary to see if they could watch Josiah, as it was way too hot to have him out there. Bruce, myself, and Melissa were gonna go get all we could that afternoon because the rain was moving in. I never thought anything about it when Paula said her mom Mary and her son Brandon could watch Josiah and she wanted to come help haul hay. We worked several hours, Paula worked just as hard as the rest of us - she always does, puts her hand to the plow no matter what it is & just works her little heart out. We have known each other & gone to church together for many years, but Paula had never mentioned to me the

problems she had with her hand. She never complained. Paula injured her left hand severely 15 years ago to the point she couldn't extend it, had no strength in it, and had no feeling in it except intense pain. This pain would intensify as the weather grew colder & for 15 years she would have to take pain killers to deal with it. Anytime she over used that hand, she knew for the next couple of weeks she would have to take meds to just endure the pain. If I had known this, I would have never let her come with us of course, but she never said a word. Couple of weeks later she calls me and tells me this... how GOD was so good to her! *She never had to take one pain pill.* Never hurt from the hay hauling. In fact, now it's middle of November, and no pain in her hand AT ALL! First time after 15 years of pain every time she worked and every single year at this time! And, to top it all off, she burned her hand cooking the other day & she got so excited, she called me... she had had no external feeling in this hand for 15 years, only numbness or internal pain. She had burnt it badly in the past because she could not feel it - but that day, she felt it burn! God has totally restored her hand! She can even carry things, hold things she's not been able to hold on to! PRAISE GOD! Because of her desire to help us when we needed it, laying down her "comfort" to help this ministry, God HAS TOTALLY HEALED HER!! That's one of the most selfless acts of love I've ever seen. If we could be more like that... you know the Word says no greater love has a man than he would lay down his life for his friends...and look how God rewarded her.
