*Merry Christmas and
Happy, Blessed New Year!*

We pray this is the most blessed and prosperous season your family has ever celebrated! So many things have happened for us this past year, I am excited to be able to share a few with y'all! One of the most exciting for me was that after being licensed for 7 years, I was Ordained in April, 2011 under Deep Healing Waters International Ministries, Inc.; Pastored by Dr. Vernadean Buchanan-Rocha & Rev. John Rocha; and Global Spheres/Glory of Zion International Ministries lead by Apostle Chuck Pierce.

God continues to show us that He won't fit in anybody's box on a daily basis. I continue in my 2nd year as President of the *Chandler Ministerial Alliance*, and I've been so blessed to have been a part of many exciting firsts again this year within it. He continues to bring His Body closer together on a corporate level, and within the City of Chandler! We had our first ever "Faith in Action Month" in May, as we jumped on with Friends Church in an outreach they've established in Chandler.

Each participating church did projects to help individuals or the city of Chandler throughout the month, then we all came together as a group and had the most awesome Chuck Wagon Dinner Provided by Deepfork Cattle Company's David and Sheryl Roberts. Best Cowboy Cookin' in the surrounding 5 states!

We also were so proud of our Youth Pastors and their first ever "See You at the Rally" at the Chandler PAC Bldg on Sept. 28th, 2011, with at least 5 Youth Groups represented. Our Ministerial Alliance is all about the Vision of unifying the Body of Christ and our local churches, and serving our community. This Friday, December 23rd, 2011 will be a Community Christmas Service at the CHS PAC Bldg in Chandler, hosted by Central Church of Christ that The Alliance will be a part of for the first time! Hopefully this will be an ongoing annual event we can enjoy for many years to come! We welcomed many new faces over the past year, and look forward to welcoming many, many more.

*New areas of outreach and new
Ministry Assignments!*

We have been in a season of transition this year as we have sought God about the future assignment and mission of Angelsong Ministries, Inc. The Body of Christ has

experienced a powerful shift in the Spirit corporately, and our desire is to be smack dab in the center of His will for us and for this ministry. In this season of change, we have had the awesome opportunity to be a part of and be connected to other ministries in a new way.

This year we were honored to be able to do some one day "Mini-Clinics" and come out and minister to the kids at Crossroads Ranch, a wonderful outreach of Loving Hearts Ministry, Inc. that provides Bible based cowboy camps for kids based in Depew, Oklahoma. We are also very excited to have had the opportunity to donate one of our good lesson horses to this awesome, life changing ministry!

Angelsong is currently on hold as far as our lessons, camps, and clinics go here at our facilities until we are able to make some very needed facility improvements and modifications, but we are still actively and passionately sowing into kids lives in other facilities! God has truly enlarged our territory, and broadened our stakes! It is such an awesome thing to be hooked up and partnered with such amazing ministries. We can do so much more to build the Kingdom of God together than we ever could individually!

Angel Fire Equestrian Center in Coyle, OK!

I was invited by our new friend, Valerie Cotton, to come out and do several bit labs for their AHG Clinic in May of 2011. A few months later, we were touched to be able to donate one of our good lesson horses, "Key", to them to use with kids at their facilities. God bless Angel Fire, what an awesome program!

This was my 3rd year to serve as Coordinator of the Chandler Rodeo Royalty Contest, and we had the largest competition of girls yet!!!

Another awesome year down and more precious little gal's we were able to meet and work with through the Chandler Roundup Club Royalty Contest. We believe in building relationships with these girls and being available in their lives so they know where to turn if they need the Word or prayer. It has been a wonderful opportunity to serve here, and I appreciate so much all the parents sharing their little girls with me. I love them all!!! Thanks also to our wonderful 2011 judges! Robbi Mattheson, Cindy Dockery, and Micah Morgan did an awesome job with a very tough class of girls to judge! Congrats to Queen Jacie Ross (also OSRCA Queen this year) and Princess, Jacy Sanders! Great job to all!

Our AngelSong Klds receiving their Year End Awards from CRUC – GOOD JOB GUYS!

We are so proud of y'all! It sure does make you feel good to see students and former students sticking with the sport and having fun with it! LOVE YOU ALL!

It takes YOU to make it happen!

We are so proud of our youth. They are a living testimony of what God is doing through AngelSong. We are raising up leaders that will make a difference in the world around them - that will set the standard! Thank you for helping us continue to reach more and more families by your giving! When you SEND us, you are just as much a part of the Work as if you went. IF YOU WOULD LIKE to be a sponsor, call or email Shala. We need YOU! FAITHFUL Sponsors and volunteers make it happen. None of this could have been possible without the faithful support of people just like you! Volunteering their time, sowing their money, making a difference by sponsoring. THANK YOU for giving yourselves, your time, and your resources to the Lord. It takes money to get the gospel to the world.

A PROPHETIC WORD FOR 2012...

This year has been a very "trying time" literally for the Body of Christ... we have been in a very tight and closed in place... I liken it to the "cave"... the Spirit of God has intensified in the Earth, and the one scripture that stands out to me more than any other in this season is this: **Romans 8: 18-21** ***That's why I don't think there's any comparison between the present hard times and the coming good times. The created world itself can hardly wait for what's coming next. Everything in creation is being more or less held back. God reins it in until both creation and all the creatures are ready and can be released at the same moment into the glorious times ahead. Meanwhile, the joyful anticipation deepens.*** (Message Translation). We've experienced a shaking, spiritually and literally, this past year; and we've been given a mandate to SHIFT – a higher calling to shift our perception to that of the Lord. To see as He sees, to hear His voice, and not the voices that surround us. An invitation to come up higher, to be seated in Heavenly Places! What are we going to do with that invitation? I tell ya what... I'm going to ACCEPT IT! This is the time of DIVINE JUSTICE! RESTITUTION! RESTORATION! No matter what the cost, I'm going to go full blast forward chasing God in this coming year. Nothing else matters. Every idol has to be torn down. Every wall demolished. Every stronghold cast down, and every hinderance thrown off! When we come to that place that we want Him so bad, the cost no longer matters, we're in a perfect position to receive ALLLLL that He has for us! GREATER GLORY is in the Earth today than ever before...we are walking into the most exciting, amazing, powerful, glorious, awesome season the Body of Christ has ever to experience! SHOW US YOUR GLORY, LORD! SHOW

US YOUR GLORY is my cry, there is a hunger in the children of God to know Him in a deeper way, to walk with Him closer and more intimately than ever before... there is a new, fresh fire in the hearts of the believers! The world is afraid, and so is the enemy. The darkness grows darker and darker... but if you belong to the King there is nothing to fear. There is a place you can be in the Lord that will lift you high above it all... and that's where I want to be! TRUE Unity will unfold in hearts and lives of His Children. THE LOVE OF GOD will flow to the unlovable. Hearts will be mended. Lives will be changed. Those you never thought would come in, will come in... the first will be last, and the last will be first. WE WILL BREAK FREE of every bondage and oppression the enemy has tried to illegally attach to us! I decree it right now in the Mighty Name of Jesus! IF YOU WILL CHOOSE to give your life to the Lord according to the Word of God, and not the way of the world, IF YOU HAVE MADE JESUS THE LORD OF YOUR LIFE, YOUR PERSONAL SAVIOR... IF YOU HAVE THE SPIRIT OF GOD ON THE INSIDE OF YOU, you are in for the greatest adventure you could ever imagine MAGNIFIED and MULTIPLIED... and it starts RIGHT NOW...and if you have not, the time to do it is NOW! You can ask Jesus into your heart, or make a fresh commitment to Him right now. Right where you are. It's not too late. It's right on time!

Please pray with me! "Dear Jesus. I believe You are the Son of God. I believe You died, and You rose again! I believe You took the sin of the world upon you, including my sin, and that You did that so I might be able to live! Not just in Heaven, but that I might have life and that more abundantly NOW according to your Word! I receive that gift RIGHT NOW! I ask You RIGHT NOW to come into my heart, fill me with Your Holy Spirit, be my Lord and my Savior! Forgive me for all of my sins, and wash me clean in Your PRECIOUS BLOOD! Take the reins of my life, and take control! Make it what you would have it be for Your Glory! In JESUS' Name, AMEN!"

If you prayed that prayer for the first time, please let me know! Or, if you prayed it again and made a fresh commitment. We would be

so honored to hear from you. I encourage you to find a church near you that teaches the Word of God, so you can be taught and GROW. Salvation is not the end of what Jesus did for you. It's MIRACULOUS and AWESOME, but you know He bought you so much more! He bought your healing, your wholeness, your provision, your soundness, everything you have need of is in the cross and in the Blood of Jesus. Learn more about it!!!

Your year end giving...

*As this year comes to a close, we want to encourage you to prayerfully consider sowing into this ministry with your year end giving. **December 31st is nearing quickly, and the time to make your charitable donations for 2011 will soon be gone!** This ministry is good ground. There are many more families and kids, many more testimonies and stories we'd love to share and just don't have room. We're dedicated to continuing to reach out and minister to the world of barrel racing in every way we can with your help. Every dollar that comes into this ministry goes toward outreach. Angelsong is solely supported by the donations of individuals and businesses, and we need your help. There's too much to be done for the Lord through this ministry for just a handful of people... we need partners committed to pray, committed to give of their lives and resources faithfully to help us reach and teach these kids, and take the Land of Barrel Racing for His Kingdom. Thank you so much for your faithful support of this ministry. We'd never have made it this far without YOU. God bless, Shala*
